Folks

As I prepare for my early retirement this week, there are many who I have not yet had the opportunity to connect with. Please stop by during my Open Office hours to say hello and enjoy a treat.

Afterwards, there will a venture to an off-site establishment.

Feel free to extend to others whom I missed.

I look forward to seeing you!

Charles

Hi Nancy,

As mentioned, I am looking forward to reviewing some of the challenges our company has been facing getting "new" chemicals approved via the PMN process without a consent order / SNUR. I am hoping to review these with you and understand any pending changes before sharing these comments with our congressional members for any needed legislative changes. I am looking forward to partnering with EPA to keep or people and planet safe while bringing great new chemicals to market!

Kind Regards,

Allison Betancourt | Senior Regulatory and Government Affairs Manager

Hi Nancy,

Administrator Zeldin mentioned your name at a meeting this evening, that we should talk to you about the backlog in your org, and how we can help find the people you need to help you. This is the only time tomorrow I could find that we and Helena overlap, so I'm grabbing it! (After 5pm could also work.)
Looking forward to meeting you.

End: 3/13/2025 8:00:00 PM
Show Time As: Tentative

Hello,

You are receiving this training invite as you have been identified as a supervisor or manager of employees covered by The National Treasury Employees Union (NTEU). As you are probably already aware, the Agency and NTEU came to an agreement on a new NTEU Collective Bargaining Agreement (CBA) at the end of 2024.

Members of the NTEU negotiations team for management as well as Labor and Employee Relations Specialists from across the country have worked together to create a training on all of the articles that had changes made to them as a result of negotiations.

Two sessions will be offered:

- **March 13, 2025, from 2pm to 4pm EST**
- **March 20, 2025, from 12pm to 2pm EST**

This training is **not** mandatory, but we **strongly encourage** all supervisors and managers to attend.

For Communication Access Real-time Translation (CART) captioning, American Sign Language (ASL) interpreters or Cued Language Translators (CLTs), email Ramona Conway at Conway.Ramona@epa.gov and cc: interpretingservices@epa.gov. Please make these requests at least five business days in advance.

Please contact Reasonable Accommodations to request another type of reasonable accommodation to attend an event.

Folks

As I prepare for my early retirement this week, there are many who I have not yet had the opportunity to connect with. Please stop by during my Open Office hours to say hello and enjoy a treat.

Afterwards, there will a venture to an off-site establishment.

Feel free to extend to others whom I missed.

I look forward to seeing you!

Charles

Hi Nancy,

As mentioned, I am looking forward to reviewing some of the challenges our company has been facing getting "new" chemicals approved via the PMN process without a consent order / SNUR. I am hoping to review these with you and understand any pending changes before sharing these comments with our congressional members for any needed legislative changes. I am looking forward to partnering with EPA to keep or people and planet safe while bringing great new chemicals to market!

Hi Nancy,

Administrator Zeldin mentioned your name at a meeting this evening, that we should talk to you about the backlog in your org, and how we can help find the people you need to help you. This is the only time tomorrow I could find that we and Helena overlap, so I'm grabbing it! (After 5pm could also work.)
Looking forward to meeting you.

Kathryn (EPA DOGE business lead)
